The District hereby grants to Contractor a limited, nonexclusive license to use District Data solely for the purpose of performing its obligations specified in the Contract. This Agreement does not give Contractor any rights, title, or interest implied or otherwise, to District Data or De-identified Data, except as expressly stated in the Contract.

3. Data Privacy

3.1 Use of District Data. Contractor shall use District Data only for the purpose of performing the Services and fulfilling its duties under the Contract.

3.2 Prohibited Uses of District Data. With the exception of De-identified Data that the District has agreed in writing to allow Contractor to use as specified in Section 3.5, Contractor shall not:

3.2.1 Use, sell, rent, transfer, distribute, alter, mine, or disclose District Data (including metadata) to any third party without the prior written consent of the District, except as required by law;

3.2.2 Use District Data for its own commercial benefit, including but not limited to, advertising or marketing of any kind directed toward children, parents, guardians, or District employees, unless such use is specifically authorized by this Agreement or otherwise authorized in writing by the District;

3.2.3 Use District Data in a manner that is inconsistent with Contractor's privacy policy;

3.2.4 Use District Data to create a Student Profile other than as authorized or required by the Contract to perform the Services; and

3.2.5 Store District Data outside the continental United States unless Contractor has given the District Designated Representative advance written notice of where and how the servers are housed, managed, and secured, and that the security standards required herein can be achieved.

3.3 Qualified FERPA Exception. If Contractor will have access to Education Records, Contractor acknowledges that, for the purposes of this Agreement, pursuant to the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g and its implementing regulations, 34 C.F.R. Contractor warrants and represents that during the

five-year period preceding the Effective Date of this Agreement, it has not been found in violation of FERPA by the U.S. Department of Education's Family Policy Compliance Office.

3.4 Subcontractor Use of District Data. To the extent necessary to perform its obligations specified in the Contract, Contractor may disclose District Data to Subcontractors pursuant to a written agreement, specifying the purpose of the disclosure and providing that: (a) Subcontractor shall not disclose District Data, in whole or in part, to any other party; (b) Subcontractor shall not use any District Data to advertise or market to students or their parents/guardians; (c) Subcontractor shall access, view, collect, generate and use District Data only to the extent necessary to assist Contractor in performing its obligations specified in the Contract; (d) at the conclusion of its/their work under its/their subcontract(s) Subcontractor shall, as directed by the District through Contractor, Securely Destroy all District Data in its/their possession, custody or control, or return such District Data to the District, at the election of the District; (e) Subcontractor shall indemnify the District in accordance with the terms set forth in Section 10 herein below; and (f) Subcontractor shall utilize appropriate administrative, physical and technical safeguards in accordance with industry standards and best practices to secure District Data from unauthorized disclosure, access and use. 3.5 Use of De-identified Data. Contractor may use De-identified Data for purposes of research, the improvement of Contractor's products and services, and/or the development of new products and services. In no event shall Contractor or Subcontractors re-identify or attempt to re-identify any De-identified Data or use De-identified Data in combination with other data elements or De-identified Data in the possession of a third-party affiliate, thereby posing risks of re-identification.

3.6 Privacy Policy Changes. Prior to making a material change to Contractor's privacy policies, Contractor shall send District's Designated Representative written notice, which includes a clear explanation of the proposed changes.

4. Data Security

4.1 Security Safeguards. Contractor shall store and process District Data in accordance with commercial best practices, including implementing appropriate administrative, physical, and technical safeguards that are no less rigorous than those

outlined in SANS Top 20 Security Controls, as amended, to secure such data from unauthorized access, disclosure, alteration, and use. Contractor shall ensure that all such safeguards, including the manner in which District Data is collected, accessed, used, stored, processed, disposed of and disclosed, comply with all applicable federal and state data protection and privacy laws, regulations and directives, including without limitation C.R.S. § 22-16-101 *et seq.*, as well as the terms and conditions of this Addendum. Without limiting the foregoing, and unless expressly agreed to the contrary in writing, Contractor warrants that all electronic District Data will be encrypted in transmission and at rest in accordance with NIST Special Publication 800-57, as amended, **with the following exception.**

Contractor maintains a comprehensive, information security program that contains administrative, technical, and physical safeguards that are designed for (a) the size, scope and type of Contractor's businesses; (b) the amount of resources available to them; (c) the type of information that they will store; and (d) the need for security and confidentiality of such information. Emails are stored as set forth above but student e-mails are not encrypted.

4.2 Risk Assessments. Contractor shall conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner.

4.3 Audit Trails. Contractor shall take reasonable measures, including audit trails, to protect District Data against deterioration or degradation of data quality and authenticity, and to ensure data is deidentified in accordance with this Addendum.

4.4 Verification of Safeguards. Upon District's written request, Contractor shall provide or make available to the District for review, one or more of the following, verifying Contractor's administrative, physical and technical safeguards are in compliance with industry standards and best practices: (1) a third-party network security audit report; (2) certification from Contractor indicating that an independent vulnerability or risk assessment of the Contractor's data security program has occurred; (3) district data has been deidentified by Contractor as set forth in the definition of Deidentified Data in section 1.3 of this Addendum.

4.5 Background Checks. The Contractor and every person, including any subcontractor or agent of the Contractor, who provides direct services to students, or who has access to student data, shall be required to have a criminal background check that meets the requirements of § 22-32-109.7, C.R.S. and other District requirements, including a fingerprint-based conviction investigation. Conducting a Colorado Bureau of Investigation criminal history check or a Name Check investigation for any person providing services under this Contract does not meet District requirements. The costs associated with the background checks are solely the Contractor's responsibility.

Thereafter, any personnel, subcontractor, volunteer or agent hired or added during the term of this Contract shall satisfy the requirements set forth in this Section before performing services on Contractor's behalf. The Contractor shall make the background check results available upon request of the District in compliance with the provisions of § 24-72-305.3, C.R.S. The District also reserves the right to conduct its own criminal background check of every person before Services begin.

4.5.1 Notwithstanding the criminal background check requirement as set forth above, Contractor hereby certifies that no employee, subcontractor, volunteer or agent of the Contractor performing the Services has been convicted in Colorado or in any other State of a criminal offense involving: (i) the abuse, abduction, sexual molestation, physical or sexual assault on, or rape of a minor; or (ii) any crime involving exploitation of minors, including but not limited to, child pornography offenses or any crime of violence. Contractor shall notify the District immediately upon the discovery or receipt of any information that any person performing services on Contractor's behalf has been detained or arrested by a law enforcement agency of the aforementioned crimes. Contractor understands that allowing any employee, subcontractor, volunteer or agent of the Contractor performing the Services who has been arrested or convicted of the aforementioned crimes to: (i) provide direct services to students, (ii) access student data, or (iii) enter onto District property, constitutes a material breach of this Contract and may result in the immediate termination of this Contract and referral to law enforcement for possible criminal charges, or additional civil sanctions pursuant to federal and state law. Misdemeanor conviction(s) may not necessarily result in the immediate termination of this Contract. Misdemeanor convictions are evaluated on a case-by-case basis, considering the nature and gravity of the offense, time elapsed since the offense, conviction, or time served, and the nature of the Services. Upon the District's request, Contractor shall provide documentation of every person performing the Services to substantiate the basis for this certification.

5. Security Incident and Security Breach

5.1 Security Incident Evaluation. In the event of an Incident, Contractor shall follow industry best practices to fully investigate and resolve the Incident, and take steps to prevent developments that may result in the Incident becoming a Security Breach at Contractor's expense in accordance with applicable privacy laws.

5.2 Response. Upon becoming aware of a Security Breach, or a complaint of a Security Breach, Contractor shall notify the District Designated Representative in writing according to jurisdictional regulations as set forth herein, fully investigate the Security Breach, cooperate fully with the District's investigation of and response to the Security Breach, and use best efforts to prevent any further Security Breach at

Contractor's expense in accordance with applicable privacy laws. Except as otherwise required by law, Contractor shall not provide notice of the Security Breach directly to individuals whose Personally Identifiable Information was involved, to regulatory agencies, or to other entities, without first providing written notice to the District's Designated Representative.

5.3 Security Breach Report. If the District reasonably determines that Contractor has committed a Security Breach, then the District may request Contractor to submit, according to jurisdictional regulations, a written report, and any supporting documentation, identifying (i) the nature of the Security Breach, (ii) the steps Contractor has executed to investigate the Security Breach, (iii) what District Data or PII was used or disclosed, (iv) who or what was the cause of the Security Breach, (v) what Contractor has done or shall do to remediate any deleterious effect of the Security Breach, and (vi) what corrective action Contractor has taken or shall take to prevent a future Incident or Security Breach. The District reserves the right to require Contractor to amend its remediation plans.

5.4 Effect of Security Breach. Upon the occurrence of a Security Breach, the District may terminate this Agreement in accordance with District policies. The District may require Contractor to suspend all Services, pending the investigation and successful resolution of any Security Breach, and Contractor may be required to reimburse District all amounts paid for any period during which Services were not rendered. Contractor acknowledges that, as a result of a Security Breach, the District may also elect to disqualify Contractor and any of its Subcontractors from future contracts with the District.

5.5 Liability for Security Breach. In addition to any other remedies available to the District under law or equity, Contractor shall reimburse the District in full for all costs, including but not limited to, payment of legal fees, audit costs, fines, and other fees imposed that were actually incurred by the District and caused in whole or in part by Contractor or Contractor's Subcontractors for any Security Breach. If Personally Identifiable Information is compromised, Contractor shall provide notification to the affected individuals on behalf of the District, pursuant to the Student Data Transparency and Security Act, C.R.S. 22-16-108 (4).

6. Response to Legal Orders, Demands or Requests for Data

6.1 Received by Contractor. Except as otherwise expressly prohibited by law, Contractor shall immediately notify the District of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking District Data; consult with the District regarding its response; cooperate with the District's reasonable requests in

connection with efforts by the District to intervene and quash or modify the legal order, demand or request; and, upon the District's request, provide the District with a copy of its response.

6.2 Received by District. If the District receives a subpoena, warrant, or other legal order, demand or request seeking District Data maintained by Contractor, including but not limited to, a request pursuant to the CORA, the District will promptly notify Contractor and, within two (2) business days, excluding national holidays, Contractor shall supply the District with copies of the District Data for the District to respond.

6.3 Parent Request. If a parent, legal guardian or student contacts the District with a request to review or correct District Data or PII, pursuant to FERPA or the Student Data Transparency and Security Act, C.R.S. § 22-16-101 *et seq.* (the "Act"), the District will promptly notify Contractor's Designated Representative and Contractor shall use reasonable and good faith efforts to assist the District in fulfilling such requests, as directed by the District, within ten calendar (10) days after receipt of District's notice. Conversely, if a parent, legal guardian or student contacts the Contractor with a request to review or correct District Data or PII, within ten calendar (10) days after receipt of such notice, Contractor shall promptly notify the District and shall use reasonable and good faith efforts to assist the District in fulfilling such requests, as directed by the District.

6.4 Access to District Data. District shall have the right to access and retrieve any or all District Data stored by or in possession of Contractor upon written notice to Contractor's Designated Representative. Contractor shall make the District Data available to the District within seven (7) calendar days from the date of request.

7. Compliance with Applicable Law

7.1. Children's Online Privacy and Protection Act. If Contractor collects personal information (as defined in the Children's Online Privacy and Protection Act of 1998, 5 U.S.C. 6501 to 6505, and its implementing regulations ("COPPA")) from children under thirteen (13) years of age in performing the Services, Contractor warrants, represents, and covenants that such collection is and shall be for the use and benefit of the District and for no other commercial purpose. Contractor has provided District with written notice of its collection, use, and disclosure practices.

7.2 Compliance with Laws. Contractor warrants that it will abide by all applicable laws, ordinances, rules, regulations, and orders of all governmental agencies or authorities having jurisdiction over the Services including but not limited to: (a) COPPA; (b) FERPA; (c) the Health Insurance Portability and Accountability Act, 45 C.F.R. Part 160.103; (d) the Health Information Technology for Economic and Clinical Health Act,

7.3 Americans with Disabilities Act. To the extent the District is required to provide accommodations in compliance with the Americans with Disability Act (“ADA”), Contractor will make best efforts to assist the District in providing its services to end users pursuant to this Agreement, and will assistance the District in a manner that its system and services will, at a minimum, conform with all laws, regulations and guidance that apply to accessibility in accordance with the ADA, Section 504 of the Rehabilitation Act of 1973, and the Web Content Accessibility Guidelines (WCAG) 2.0 Level AA guidelines; provided, however, Contractor will have no obligations with respect to such compliance as it relates to any portion of the system and services provided or developed by the District including District content.

8. Term and Termination

8.1 This Addendum takes effect immediately as of the Effective Date, and remains in full force and effect until the successful completion of the services, unless earlier terminated under Sections 8.2 or 12.3.

8.2 Subject to Sections 8.2 and 12.3, this Addendum will automatically terminate without any further action of the Parties upon the termination or expiration of the Contract between the Parties or successful completion of the Services. Alternatively, upon re-execution of the Contract by the authorized persons of District and Contractor, this Addendum shall also be revived and be of full force and effect.

8.2 Termination by the District.

8.2.1 The District may immediately terminate the Contract in accordance with District policies if, at any time, the District determines in its sole discretion, that Contractor has breached any of the requirements of this Addendum.

8.2.2 The District may terminate the Contract if District receives information that Contractor has failed to comply with the same or substantially similar security obligations as set forth herein with another school district.

8.2.3 The District may terminate the Contract if the District receives information after execution of this Addendum, that any of Contractor’s representations or

warranties have substantially changed after execution of this Addendum, including but not limited to the terms of Contractor's privacy policy.

9. Data Transfer Upon Termination or Expiration

9.1 Destruction or Return of District Data. With the exception of De-identified Data that District has specifically agreed in writing to allow Contractor to use after termination or expiration of this Agreement, or District Data for which Contractor has specifically obtained consent from the parent, legal guardian or student to keep, upon request t, Contractor shall certify in writing that all District Data and PII that Contractor collected, generated or inferred pursuant to the Contract ("Contract Data"), is securely returned or Securely Destroyed, pursuant to Schedule 4 attached hereto.

9.2 Transfer and Destruction of District Data. If the District elects to have all District Data or Contract Data that is in Contractor's possession or in the possession of Contractor's Subcontractors transferred to a third party designated by the District, such transfer shall occur within a reasonable period of time but no later than thirty (30) calendar days after expiration or termination of this Agreement, and without significant interruption in service or access to such District Data. Contractor shall work closely with such third party transferee to ensure that such transfer/migration uses facilities and methods compatible with the relevant systems of the District or its transferee, and to the extent technologically feasible, that the District will have reasonable access to District Data during the transition. District will pay all costs associated with such transfer, unless such transfer is as the result of termination of this Agreement following Contractor's breach of the terms of this Agreement. Upon successful transfer of District Data, as confirmed in writing by the District's Designated Representative, Contractor shall Securely Destroy all District Data in accordance with Section 9.1.

9.3 Response to Specific Data Destruction or Return Requests. After receiving a written request from the District, Contractor shall Securely Destroy or return any specific District Data or Contract Data that is in its possession or in the possession of its Subcontractors within 30 business days, excluding national holidays, after receiving a written request from the District.

10. Indemnification

10.1 If Contractor is a "public entity" then it will be responsible for the negligent acts and omissions of its officers, agents, employees and representatives with respect to its obligations under this Agreement. Any provision of this Agreement, whether or not incorporated herein by reference, shall be controlled, limited and otherwise modified so as to limit any liability of the Contractor under the Colorado

Governmental Immunity Act, C.R.S. 24-10-101 et seq. It is specifically understood and agreed that nothing contained in this paragraph or elsewhere in this Agreement shall be construed as an express or implied waiver of its governmental immunity or as an express or implied acceptance of liabilities arising as a result of actions which lie in tort or could lie in tort in excess of the liabilities allowable under the Act, as a pledge of the full faith and credit of the Partner, or as the assumption by the Partner of a debt, contract or liability of the District or its affiliates in violation of Article XI, Section 1 of the Constitution of the State of Colorado.

In the event of the filing of a lawsuit to compel disclosure, the District will tender Contractor’s material to the court for judicial

determination of the issue of disclosure and Contractor agrees to intervene in such lawsuit to protect and assert its claims of privilege against disclosure or waive the same.

12.3 Survival. The Contractor's obligations under Sections 3, 4, 5, 6, 9, and 10, and any other obligations or restrictions that expressly or by their nature are to continue after termination, shall survive termination of this Agreement for any reason until all District Data has been returned or Securely Destroyed.

General Provisions

Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement.

Contractor shall provide a copy of this Agreement to its insurance agent or broker. Contractor may not commence services or work relating to the Agreement prior to placement of coverage.

Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, or any extension thereof.

Insurer Ratings: The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-" VIII or better.

Cancellation, Non-Renewal Notifications: Each policy shall contain a valid provision or endorsement requiring notification to the District in the event any of the required policies are to be cancelled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, Contractor shall provide written notice of cancellation, non-renewal or reduction in limits to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s).

Deductibles or Self-Insured Retentions: If any policy is in excess of a deductible or self-insured retention, the Contractor must notify the District. Contractor shall be responsible for the payment of any deductible or self-insured retention.

Minimum Requirements: The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

Contractor shall advise the District in the event any general aggregate or other aggregate limits are reduced below the required per occurrence limits. At its own expense, and where such general aggregate or other aggregate limits have been reduced below the required per occurrence limits, the Contractor will procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

Proof of Insurance: Contractor certifies that any certificate of insurance, (preferably an ACORD certificate), provided as evidence of insurance coverage under this Agreement, complies with all insurance requirements in this Agreement. The District's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the District's rights or remedies under this Agreement. The District's Risk Management Department may require additional proof of insurance including but not limited to policies and endorsements.

Subcontractors and Subconsultants: All Subcontractors and Subconsultants (including Independent Contractors, Suppliers or other entities providing goods or services required by this Agreement) shall be subject to all of the requirements herein and shall procure and maintain the same coverages required of the Contractor. Contractor shall include all such Subcontractors as Additional Insureds under its policies (with the exception of Workers' Compensation) or shall ensure that all such Subcontractors and Subconsultants maintain the required coverages.

Insurance Coverage and Limits

Workers' Compensation/Employer's Liability: Contractor shall maintain the coverage as required by statute and shall maintain Employer's Liability insurance with limits of at least

\$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

Contractor expressly represents to the District, as a material representation upon which the District is relying on entering into this Agreement, that none of the Contractor's officers or employees who may be eligible under any statute or law to reject Workers' Compensation insurance shall affect such rejection during any part of the term of this Agreement, and that any such rejections previously effected, have been revoked as of the date Contractor executes this Agreement.

Business Automobile Liability: Contractor shall maintain Business Automobile Liability coverage with limits of at least \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

Commercial General Liability: Contractor shall maintain Commercial General Liability coverage with limits of at least \$1,000,000 for each occurrence, \$1,000,000 for each personal and advertising injury claim, \$2,000,000 products and completed operations aggregate, and \$2,000,000 policy aggregate.

Excess/Umbrella Liability: Contractor shall maintain Excess or Umbrella Liability coverage with limits of at least \$1,000,000 per occurrence and \$1,000,000 policy aggregate. Coverage must be written on a "follow form" or broader basis.

The following three types of required insurance coverages may be met with separate policies or a combination of these coverages under one policy. If in a combined policy, the combined policy form shall include minimum limits of at least \$3,000,000 each occurrence and in the aggregate.

Technology Errors & Omissions: Contractor shall maintain Technology Errors and Omissions Liability coverage including, but not limited, to Network Security, Privacy Liability and Product Failure coverage with limits of at least \$1,000,000 per occurrence and \$1,000,000 policy aggregate.

Media Professional Liability: Contractor shall maintain Media Professional Liability limits of at least \$1,000,000 per claim and \$1,000,000 in the aggregate. The policy shall include, but not be

limited to, coverage for libel, slander, infringement of copyright, invasion of the right of privacy, and unauthorized use of titles, formats, ideas, characters, plots or other material used in the publication or design.

Cyber/Network Security & Privacy Liability: Contractor shall maintain Cyber/Network Security & Privacy Liability coverage with limits of at least \$1,000,000 per occurrence and \$1,000,000 policy aggregate including, but not limited to, coverage for claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security.

Other Insurance Provisions

Additional Insured Status: For Commercial General Liability, Auto Liability, Excess/Umbrella Liability, Cyber/Network Security and Privacy Liability (if applicable), Contractor and Subcontractor's insurer(s) shall name School District No. 1 in the City and County of Denver, d/b/a Denver Public Schools, and its elected officials, employees, representatives and agents as Additional Insureds.

Waiver of Subrogation: For coverages required under this Agreement, Contractor's insurer shall waive subrogation rights against the District.

Primary Coverage: For claims related to this Agreement, Contractor's insurance coverage shall be primary and non-contributory with other coverage or self-insurance maintained by the District.

Claims Made Policies: For claims-made coverage, the retroactive date must be on or before the contract date or the first date when any goods or services were provided to the District, whichever is earlier.

Additional Provisions: Defense costs must be outside the limits of liability. Policies must contain a severability of interests or separation of insureds provision (no insured versus insured exclusion). The Commercial General Liability coverage must provide that this is an Insured Contract under the policy.
